## CIT News

Is it the last day of camp already? Time really does fly when you're having fun. We started the last week of camp by going to **Adventureland**. Tuesday we had our last planned trip to the **beach**. We always have a good time swimming and hanging out with friends. On Wednesday we had a surprise trip to eat lunch at **T.G.I.F Friday's**. Thursday we were at camp all day as the Drama Club performed the play "Crazy For You". It was amazing and everyone was so talented. You can tell how much work the campers and specialist put into the show. And today we spent our last day with the friends we made over the years, and the new ones we made this year. We're all sad that the summer is coming to an end, but we all made great memories within the past 8 weeks that we will remember for a lifetime. I hope everyone has an amazing rest of the summer, and a great school year ahead.
