Week 8 is here and now it is time to go. We had so much fun this week! We made sure we got enjoyed every single activity we went to. From the pool to the water park, Nature with Mrs. Lynn, to Arts and Crafts with Mrs. Ali. We Ripped and Dipped and Zipped on our last days and most importantly, made memories with all of our new friends. We got to see the older kids put on the production of "Crazy for You" and celebrated our favorite Spirit Day on Throw Back Thursday. To see pictures of the exciting week we had, please log onto our website kenwaldaycamp.com and use the password: kenwalfun.

Nursery families, thank you from the bottom of our hearts for allowing us to be a part of your child's summer. We have all enjoyed the time we got to spend with your children. We hope your children had as much fun with us as we did with them. We cannot wait for next year and look forward to making more awesome memories. From all of us: Have an amazing school year, we will miss you all !!!
