A Week in the Life of a Soph Girl

It's hard to believe this summer's almost done.
At least Week Seven at **Kenwal** was oodles and oodles of fun!

The **Color War** festivities continued all week long.
Whether on the **Blue** team or the **yellow**...
You just couldn't go wrong!

From water and field events-to the Apache Relay race...
The **Color War** showdown brought cheering throughout the place!

We took a break from all the fun-
To watch some circus tricks.
Bounce, Ooo LaLa and friends showed us how to juggle, balance
and spin some plates with sticks!

From treats to games to prizes, we ended Week 7 with a blast!
2018's **Kenwal Carnival** was even better than the last!!

As sad as we are that it's almost done...
This summer has been great!
Stay tuned to hear of the Soph Girls' adventures
During Week number eight!
