CIT's – Week 8

We started our eighth week off with a day trip to the **bowling** alley. On Tuesday, we got to enjoy a sunny day at camp. Later that night, we traveled into Manhattan to go and see **Spongebob Squarepants** on **Broadway**! Wednesday included the last trip of the CITs to **Sky Zone** in Deer Park. Here, the CITs were able to bounce on the different trampolines throughout the trampoline park. They were also several heated games of dodgeball on the trampolines as well. Thursday the CITs spent the day on camp with many different activities. This included a water balloon toss and the camp production of **The Wizard of Oz**. On Friday, we finished off the last day of the week (and the last day of camp) hanging out and participating in all of the wonderful activities that Kenwal has to offer!

Congratulations to Harrison Borod, Michael Meneshian and the rest of the cast of **The Wizard of Oz** on a wonderful production to end the summer! We would like to thank you again for spending your summer here at Kenwal Day Camp! We hope everyone has a great school year and a joyful rest of your summer!
