## **TEEN BOYS SUMMER 2017**

### **WEEK 8**

Although the summer has sadly come to an end, the teen boys have had a summer full of adventure, laughs, and life-long memories. Our final week together was celebrated as we will miss our old and newfound friends. On Monday, we enjoyed a full day of camp and then travelled to Citi-Field to watch the NY Mets take on the Arizona Diamondbacks. On Tuesday, we had tons of fun at Sky Zone Trampoline Park. This week, we also watched the Drama Performance of "Madagascar" as a bunch of our own teen boys participated in the play. It was awesome watching the hard work and dedication pay off in such an entertaining way. On camp, the boys played their final competitions of Ga-Ga, Paddleball and said goodbye to their other favorite activities, such as Mountain Biking and Obstacle Course. It has been such a fantastic summer and we can't wait to see everyone back again next year! On behalf of the counselors, we all had so much fun with the boys and will miss them dearly. Have a great school year and we'll see you in June 2018!!!

Sincerely,  
Brian, Zack, Will, Nick, Matt, and Ryan
