**Week of 8/21/17**

I can't believe the camp season has come to a close. I guess time really does fly when you're having fun. This has been a summer to remember for the senior boy's division. We had many fun experiences at camp as well as on various field trips. While at camp we had a chance to hone our skills in many different sports such as basketball, tennis, baseball, mini golf, paddleball, and soccer. We had a chance to explore other outdoor adventure activities such as paddle boating at Lake Matthew, zip lining at the obstacle course, and bungee jumping at the trampolines. Nature exploration, circus arts, and archery were also fan favorites throughout the summer. When we went off campus we had some great trips to Sunken Meadow beach, the Mets game, the LI Ducks game, Adventureland, Six flags Great Adventure, the fishing trip, and the "shark boat" ride around Manhattan.

Although camp Kenwal has some of the best activities there is to offer, the summer wouldn't have been the same if it wasn't for the great group of boys that were in this division. I will miss you all and look forward to seeing you again next summer. I wish you all the best in the upcoming school year.

I would like to take this opportunity to give a special thanks to a great group of counselors as well, Josh Rose, Matt Martinico, Brian Duren, Cory Foeppe, Mitchell Birns, Jordan Castro, and Christian Menjivar. THANK YOU!
