We started out our eighth and final week of camp with a late night Monday trip to a **Mets Game**, the girls enjoyed a regular camp day and a provided dinner before we left for the game. On Monday we also finished up **Color War** with an Apache relay race, which involves multiple activity stations where the girls competed with each other. The Blue DC team won **Color War**!! On Tuesday we were able to flip into foam pits, dunk on the SkySlam and have a dodgeball game at **Sky Zone Trampoline Park**. Wednesday the drama club performed their production of **Madagascar**, the show was presented at Carlyle for members and their guests. Thursday was our last day of camp and we enjoyed it with a **Sweets Party**, which included brownies, cupcakes and eggless cookie dough. The girls were also given **Camp Superlatives** which highlighted their individuality as campers!

Have a great school year and see you next summer!
